SECURITY INTERNSHIP

About Red Five Security

Red Five Security, LLC (www.red5security.com), is a concierge security company committed to delivering bespoke security solutions that meet or exceed our clients' needs.

Red Five's personnel have extensive experience in security operations and intelligence, security design and engineering, threat and vulnerability assessments, investigations, and have trained corporate and government security professionals around the globe. Red Five's clients include Fortune 50 corporations, law enforcement, military, intelligence organizations and high net-worth families. Our combined experience gives us a deep understanding of today's threats and the countermeasures required to defend against them. This understanding drives our development of client-centric security services.

Position Description

Red Five is seeking two (2) highly motivated individuals that are currently enrolled in an ongoing bachelor's or graduate degree program in a security-related field (criminal justice, international studies, law, regulatory compliance, homeland security, etc.).

Red Five interns typically help develop reports and graphics in support of the clients' needs, write documents, briefings, research projects, and aid with site visits and other duties in support of educational objectives and projects as assigned. Interns will be expected to work cooperatively within the project team.

Excellent analytical, written, and oral communications skills are required. Finally, the ability to work in a dynamic and challenging team environment with short deadlines is also desired.

MISCELLANEOUS

This INTERNSHIP is unpaid.

The Intern acknowledges there are six factors, which apply to this internship:

1. The internship, even though it includes actual operation of the facilities of the employer, is similar to training, which would be given, in an educational environment;
2. The internship experience is for the benefit of the intern;
3. The intern does not displace regular employees, but works under close supervision of existing staff;
4. The employer that provides the training derives no immediate advantage from the activities of the intern; and on occasion its operations may actually be impeded;
5. The intern is not necessarily entitled to a job at the conclusion of the internship; and
6. The employer and the intern understand that the intern is not entitled to wages for the time spent in the internship.

Qualified candidates should apply by sending an email to intern@red5security.com with the job title in the subject line. The email should include a cover letter, resume and a 3-5 page writing sample from your previous semester (in MS Word format).

Red Five Security is an equal opportunity employer and actively seeks candidates from a diverse background.
